

# Retirement instruction for a QROPS buy out bond

## Application

QROPSRET V06 1221

### Filling in this form

Complete this form if you want to take your retirement benefits now. This will confirm how your pension is paid. Before completing this form, you should talk to your financial adviser about the your options.

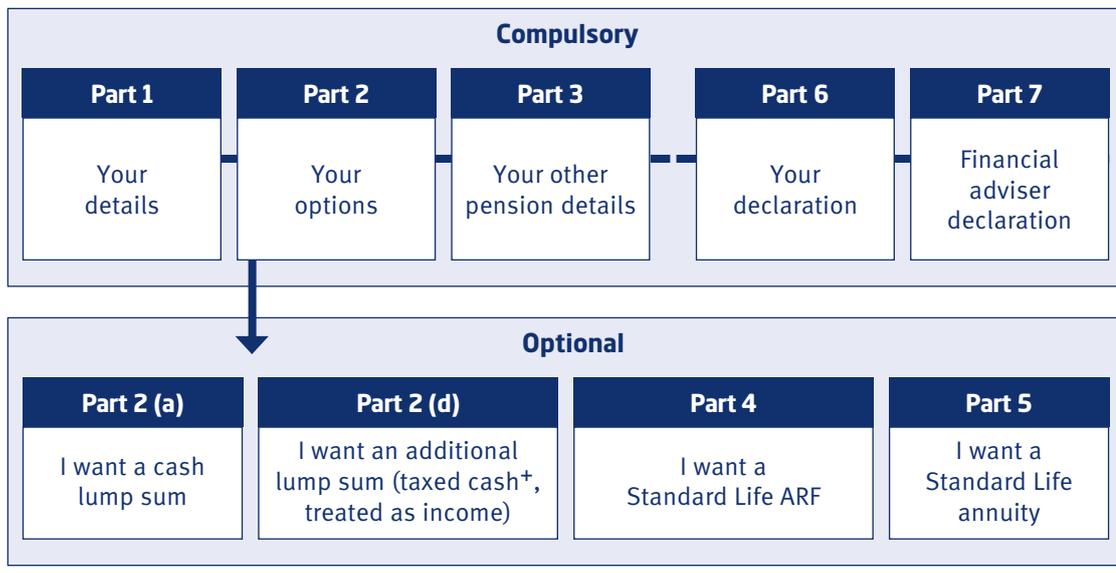

If you're taking your retirement benefits from a company pension, buy out bond (not a Qualifying Recognised Overseas Pension Scheme) or PRSA AVC, please complete a 'Retirement instruction for company pension, buy out bond and PRSA AVC' form (OPSBRET).

If you're taking your retirement benefits from a personal pension or PRSA (with no AVCs relating to an occupational pension scheme), please complete a 'Retirement instruction for personal pension and PRSA' form (PPRET).

To help you complete this form, we've included a glossary at the back (highlighted in form with<sup>+</sup>) and a checklist.

### What parts of this form do I need to complete?

The good news is that you don't have to complete all of this form – you only have to complete the parts relevant to the choices made. Here's an overview:

## Make sure your tax credits are correct

When we process our first payment to you, we're required to update Revenue online as your new or additional 'employer' so that tax can be deducted. If you have other income and want your tax credits allocated in a certain way, you must contact Revenue to tell them how, especially if you're not yet registered for PAYE (for example, you've been self-employed up to now).

Call Revenue on (01) 738 3636 – have your PPS number to hand, or register and/or sign in to [www.revenue.ie/myaccount](http://www.revenue.ie/myaccount) (Standard Life's 'employer' numbers are: 3586780HH for vested PRSAs and ARFs, 3587289KH for annuities, and 3587445VH for taxed cash payments.)

Please tick to confirm you have updated [www.revenue.ie/myaccount](http://www.revenue.ie/myaccount) or contacted Revenue

**'Emergency' taxes must be deducted where we don't get your Revenue Payroll Notification in time. This might happen if you're not yet registered with Revenue for PAYE.**

### Brief description of terms

**Annuity** – Buying an annuity with part of your pension fund will give you a guaranteed income for the rest of your life. It can also provide an income for your spouse/civil partner.

**ARF** – An approved retirement fund allows you to leave your pension fund invested and adjust your income to suit your needs. You must withdraw a certain percentage of your ARF each year – withdrawals are treated as income and taxed under the PAYE system.

**Certified copy** – To get certified copies of your documents, photocopy the originals, bring the originals and copies to a post office, bank, Garda station or qualified accountant/financial adviser. They'll check, stamp and sign each copy to certify it's a true copy of the original. Enclose those certified copies with this form.

**Concurrent employment** – This is where you worked two jobs at the same time, each with a pension. For example, you may have been working as an employee for one employer, while at the same time being a paid director of another company.

**Defined Benefit (DB)** – A defined benefit pension (also known as a 'final salary' scheme) is a pension scheme where the benefits are set out in the rules of the scheme. The benefit is often based on the employee's earnings and pensionable service.

**Defined Contribution (DC)** – A defined contribution pension (also known as 'money purchase') is a pension which depends on how much you (and/or your employer) invests, the charges deducted, how well the investments have done and the way you take your benefits. The value of your pension pot can fall as well as rise.

**Guaranteed period** – The annuity is payable for your lifetime or the guaranteed period chosen, whichever is longer. The guaranteed period applies to your annuity only, not to any spouse/civil partner's annuity. If you want your spouse/civil partner to get an income after your death, the maximum guaranteed period you can choose is 10 years.

If you choose a guaranteed period of 5 years or less, your annuity will be with overlap. If more than 5 years, it will be without overlap.

With overlap: your spouse/civil partner's annuity starts on your death.

Without overlap: your spouse/civil partner's annuity starts on your death or the end of the guaranteed period, whichever is later.

**Imputed distribution** – Revenue require us to regularly deduct tax from your retirement fund. To do this, they make an assumption that you withdraw a minimum amount each year. So, if you don't withdraw enough during the year (from which PAYE taxes are deducted), in December, we'll work out the difference between the Revenue's assumption and your earlier withdrawals, and, having deducted tax, pay this imputed distribution withdrawal to your bank account.

**Nominee Qualifying Fund Manager** – The manager you appoint to administer the tax deductions from all your ARFs and Vested PRSAs. You must nominate a QFM where the value of all your ARFs and Vested PRSAs is more than €2m.

**Self-Directed Options** – You can invest in a deposit account, or execution-only stockbroking.

If you choose to invest in a Self-Directed Option, your investment will initially be placed in the policy's cash account. You must have enough money in this account to allow us to carry out your instructions and to pay the charges related to the Self-Directed Options that you have selected.

**Taxed cash** – After taking your cash lump sum, you can take the balance of your pension fund as a taxable cash lump sum. Taxable cash lump sums are treated as income and taxed under the PAYE system.

**Vested PRSA** – A PRSA where you have taken a cash lump sum and/or income.
