

Products and funds trading

6 September 2023

Some products are open to new investments and/or top ups, others aren't. Some property related funds and cash funds have trading restrictions. Check your policy type below.

Policy type (listed alphabetically by product name)	Policy numbers begin with	Can I make an investment by starting a new policy or scheme?	Can I top up my existing policy by increasing regular premiums or contributions?	Can I top up my existing policy by adding a single premium, single contribution or transfer payment?	Can I switch funds within my policy?	What fund trading restrictions apply?

Net savings and investment policies don't have exit tax payable as tax is paid within fund. Gross savings and investment policies are subject to the gross roll up tax regime with exit tax payable.

+ You can add a new member to an existing pension scheme.

Restrictions on your existing contracted regular premium or contribution are not given here. Typically, you cannot increase the proportion of your regular premium or contribution into a fund that we have restricted (for example, Property, Cash, With-Profits).

For information about restrictions on with-profits funds, see our guides on [standardlife.ie/withprofits](https://www.standardlife.ie/withprofits)
